

Assistant Professor of Physical Chemistry — Chemistry

Gustavus Adolphus College invites applications for a tenure-track position of Assistant Professor of Physical Chemistry in the Department of Chemistry to begin September 1, 2010.

We seek candidates who have an earned doctorate, post-doctoral experience preferred. As part of our diversity initiative, we are particularly interested in candidates with experiences and interests in culturally diverse settings.

Primary teaching responsibilities will include physical chemistry, general chemistry, and associated labs. Possibilities exist in the future for teaching First Term Seminar, January Interim Experience, and a non-majors chemistry course. Development of both an active undergraduate research program and excellence in teaching is expected. A commitment to teaching and advising is essential.

To apply, send letter of application, curriculum vitae, statements of teaching philosophy and research interests, undergraduate and graduate transcripts (photocopies acceptable), and three letters of professional recommendation to:

Dr. Brian O'Brien, Chair
Department of Chemistry
Gustavus Adolphus College
800 West College Avenue
Saint Peter, MN 56082-1498
www.gustavus.edu/humanresources

For more details, visit the department web site at: www.gustavus.edu/academics/chem or contact O'Brien at 507-933-7310 or bobrien@gustavus.edu. Review of applications will begin on October 2, 2009, and continue until the position is filled.

Gustavus Adolphus College is a coeducational, private, Lutheran (ELCA), residential, national liberal arts college of 2500 students. It is the practice of the College to provide equal educational and employment opportunities for all. We specifically encourage applications from women, minorities, and persons with disabilities.
